Fayetteville Technical Community College
Post Office Box 35236
Fayetteville, NC 28303-0236

Dear Dr. Keen:

This letter is in response to the Level III Instructional Service Agreement (ISA) between Fayetteville Technical Community College (college approved to offer the curriculum) and Edgecombe Community College (participating college) for the Funeral Service Education (A55260) program and the Funeral Service Education Diploma (D55260) with an effective term of Fall 2010.

The agreement is acceptable as written and includes the essential information needed for a Level III ISA as stated in 23 NCAC 02E. 0604. The approved agreement is attached. The host and participating college(s) should maintain the approved agreement on file for auditing purposes.

The participating college should now electronically enter the course(s) that it is allowed to teach under the terms of the agreement. This program of study will be electronically forwarded to the college approved to offer the curriculum for its review and approval before the System Office receives the curriculum for final review.

If the agreement becomes inactive, a termination notice must be submitted by the President of Fayetteville Technical Community College to the Senior Vice President and Chief Academic Officer at the System Office. If you have any questions or need assistance, please contact Dr. Sharon E. Morrissey at (919) 807-7096.

With kindest regards, I am

Sincerely,
