SUBJECT: Huskins Cooperative Program Agreement Review for FY 2010-2011

Dear Dr. Keen:

The System Office staff reviewed your Huskins Cooperative Program Agreement to offer courses to high school students at **Cumberland County Schools and Fayetteville Christian School** for the **2010-2011** school year. The review indicates all courses are appropriate to offer to high school students as elective courses above the Basic Education Plan required courses and are approved effective **May 31, 2010**.

If you recall, the legislation enacted as Session Law 2009-451, Senate Bill 202, eliminates funding for general education courses (excluding math, science, and technology), physical education, and college success skills offered to high school students enrolled in the Huskins Cooperative Program. Please refer to the memo from Dr. Ralls dated August 10, 2009.

It is the college's responsibility to assure that courses are offered in accordance with the North Carolina Administrative Code rules and the guidelines approved by the State Board of Community Colleges and published in the *Operating Procedures for the Enrollment of High School Students in Community College Courses*. You may view this manual by accessing the following website: <http://www.nccommunitycolleges.edu/Programs/>. If you have questions, please contact Mr. Antonio Jordan, Director of Joint High School Partnership Programs, Academic and Student Services, at the System Office. Mr. Jordan can be reached at (919) 807-7133 or jordana@nccommunitycolleges.edu.
