

STUDENT CLINICAL EXPERIENCE AFFILIATION AGREEMENT

This Student Clinical Experience Affiliation Agreement is dated December 6, 2010 and is between HCR Healthcare, LLC on its own behalf and that of the nursing homes and outpatient rehabilitation clinics listed on the attached Schedule A and incorporated into this Agreement by reference ("Facility"), and Fayetteville Technical Community College ("School").

BACKGROUND

School is a provider of education for physical therapy assistant, and speech language pathology assistant students. School's physical therapy assistant and speech language pathology assistant program(s) requires the students to have experience under supervision of health care providers in actual clinical conditions. Facility is a health care provider and is willing to provide the School's students with a clinical educational experience in accordance with the terms of this Agreement.

NOW, THEREFORE, the parties agree as follows:

1. **SCHOOL OBLIGATIONS.** The School will:

1.1 Assume responsibility for continuing compliance with the educational standards of the appropriate accreditation and licensing bodies.

1.2 Designate a member of the faculty, such as a Fieldwork Coordinator, who will serve as a liaison with Facility on all aspects of the clinical experience program.

1.3 Notify Facility about the planned schedule of student assignments, level of academic preparation, and length and dates of internship assignments.

1.4 Refer to Facility only those students who have completed the prerequisite portion of the curriculum applicable to Facility.

1.5 Inform the student of any special requirements of Facility, including uniform requirements if applicable, and the necessity to conform to the standards and practices of the Facility.

1.6 Maintain patient confidentiality as required by all federal, state and other applicable laws and regulations.

1.7 Provide a comprehensive liability policy including professional liability, insuring the students against any and all claims for personal and bodily injury or death and property damage resulting from performance of services by the students participating in the clinical training program on the Facility premises. Such insurance must be in the amount of not less than \$1,000,000 per incident and \$3,000,000 in the aggregate.

1.8 To the extent permitted by the North Carolina Tort Claim Act (Chapter 143, Article 31 of the North Carolina General Statutes), indemnify and hold Facility harmless from any loss which results from the acts or omissions of any of its employees, agents, or students.

1.9 Recommend each student carry a current health care insurance policy.

1.10 Require that prior to beginning their clinical experience at Facility, each student and faculty

submit to Facility verification of certain health requirements in accordance with Facility's then current standards including proof of negative TB status and HBV status. The School will also report students' health limitations, if any, to Facility.

2. FACILITY OBLIGATIONS. The Facility will:

- 2.1 Maintain standards for appropriate health care services that are conducive to sound educational experiences for students participating in the affiliation.
- 2.2 Designate an individual who will be responsible for coordinating the clinical experience with the School.
- 2.3 Advise the students of its rules, policies and procedures and provide a general orientation to Facility.
- 2.4 Reserve the right to terminate students from the affiliation who do not comply with Facility rules and regulations, policies, and procedures, or who endanger patient health, welfare and safety.
- 2.5 Provide first aid medical care to students who become ill or injured during their clinical affiliation, if medically appropriate and necessary. The student will be responsible for the cost of emergency care and for the cost of any additional medical care beyond that of an emergency nature.
- 2.6 Maintain self-insurance, in the minimum amounts of \$1,000,000.00 per claim or occurrence, \$3,000,000.00 aggregate, for its employees, agents and servants.
- 2.7 Indemnify and hold School harmless from any loss which results from the acts or omissions of any of its employees or agents.

3. JOINT RESPONSIBILITIES. The School and Facility will:

- 3.1 Establish the number of students who will have a clinical experience at the Facility at any one time and any additional requirements for students participating in the clinical educational experience.
- 3.2 Notify the other party, as soon as possible, in writing if one party becomes aware of a claim, served by any person, that arises out of disagreement or any activity carried out under this agreement.

4. TERM AND TERMINATION

- 4.1 The initial term of this Agreement is one year. It begins on the date of this Agreement.
- 4.2 The Agreement will automatically renew for additional one year terms unless, not later than 30 days prior to the expiration of the initial term, either party gives written notice to the other that the Agreement will not be renewed.
- 4.3 Either party may terminate this Agreement without cause upon 30 days prior written notice. In the event of such a termination, those students already participating in their clinical experience program at the Facility pursuant to this Agreement may complete their rotation at the Facility.

5. MISCELLANEOUS

- 5.1 This Agreement contains the entire understanding between the parties and supersedes all prior

and contemporaneous agreements of affiliation between the Facility and School. This Agreement may be modified only by written agreement between the parties.

5.2 This Agreement will be governed exclusively by the laws of the state of in which the School is located, without regard to the conflict of law provisions thereof.

5.3 The invalidity or unenforceability of any provision of this Agreement will not affect the validity or enforceability of any other provision.

5.4 This Agreement may not be assigned by either party without the prior written consent of the other party.

5.5 This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same instrument.

5.6 School is not a partner or an employee of Facility, and this Agreement does not create or evidence a joint venture, partnership or other joint business relationship. Students placed at Facility by School pursuant to this Agreement are not employees of Facility.

5.7 The parties will not discriminate based upon race, color, ancestry, religion, sex, age, handicap, or veteran status.
