

Take Charge of Your Future!

**Interested in a new career working from home?
How about a career in one of the fastest growing
home-based professions in the country?**

Train in the areas of Medical Transcription and/or Medical Coding

Medical Transcriptionists earn great money working from home.
Medical Coders are in high demand; they earn great pay and enjoy flexible hours!

Starting September 2008 **Fayetteville Technical Community College** will partner with **Career Step** to provide two revolutionary new online training programs for Medical Transcriptionists and Medical Coders.

These online programs are self-contained, fully integrated courses focusing on teaching the elements of medical transcription and medical coding, as well as, the skills necessary to be successful in the job market.

Don't Delay!
