Governor Perdue to Visit FTCC Spring Lake Campus

FAYETTEVILLE, N.C. – February 10, 2010 – Governor Beverly Perdue will visit FTCC's Spring Lake Campus on Thursday, February 11, from 9:45 to 10:15 a.m. Governor Perdue plans to visit with students in the classroom who are enrolled in "12 in 6" program classes (12 Jobs in 6 Months Employing American Recovery and Reinvestment Act Funds) offered through FTCC's Continuing Education Division at the Spring Lake campus.

The "12 in 6" program was formed as a workforce development initiative under the umbrella of Governor Perdue's JobsNow. The purpose of 12 in 6 is to help North Carolina job seekers and those who have lost jobs due to layoffs and plant closures get back into the workforce with new job skills that can be obtained within six months. FTCC and other North Carolina community colleges assist individuals by providing training for job skills. North Carolina community colleges and the North Carolina Department of Commerce joined together to develop and fund the 12 in 6 program.

Fayetteville Technical Community College was established in 1961 and serves over 34,000 students annually by providing 150 affordable occupational, technical, general education, college transfer, and continuing education programs to meet students' needs and desires as well as the community.
