FTCC Offers Wireless Access on Main Campus

FAYETTEVILLE, N.C. – March 4, 2009 – effective March 2, 2009, Fayetteville Technical Community College began offering students, faculty, and staff wireless Internet access on its main campus as an extension of its existing network. The wireless access service offers a convenient alternative to wired Internet service at the College.

Fayetteville Technical Community College was established in 1961 and serves over 34,000 students annually by providing 150 affordable vocational, technical, general education, college transfer, and continuing education programs to meet students' needs and desires as well as the community.
