RULES AND REQUIREMENTS FOR RESERVATION

While the Fayetteville Rose Garden is provided for the enjoyment of the public, certain rules and requirements are necessary for those desiring to reserve it for special occasions.

Please read the following requirements and sign below:

1. **No rice or birdseed** may be thrown in the Rose Garden or surrounding area.
2. Dressing, restroom, or other facilities will not be provided at the college.
It is also suggested that an alternate place be established for your wedding in case of any unforeseen conditions such as adverse weather.
3. **No alcoholic** beverages are allowed on campus, which includes the Rose Garden.
4. **All** chairs and similar items must be furnished and setup by the reserving party and removed promptly after the event.
5. FTCC assumes no liability for malfunctioning equipment, such as the fountain, the sprinkler system, or the grounds being saturated after a rainstorm.

Reservations are required for weddings and rehearsals. The Rose Garden is provided “As Is” free of charge. All users and guest assume total responsibility for participation in their activities. Be aware, since it is a public place, other visitors may be enjoying the garden during your activity. Only one wedding/rehearsal is scheduled during a two hour period.

I have read and understand the information above concerning the use of the Fayetteville Rose Garden. I also understand that FTCC will not be held liable for any unfortunate and/or unforeseen events.
